TO ALL CLUB SECRETARIES & GAMES DIRECTORS

As you may have become aware we are in the process of preparing a comprehensive calendar covering events which may be of interest to District Clubs.

The purpose is to ensure that those who are considering new events, or entering events in existence can immediately look at the District web page and know what is currently proposed for any date.

Clearly for this to be of any use at all it requires that all Clubs both ladies and men ensure that the District Secretary is provided with all details of special events that might be on your calendar.

We have prepared an easy to complete form to list events.

As a district we are attempting to make our site an easy form of communication to other clubs but again state it is for your club to provide us with all of the information you wish others to know.
